

NEXATECH

Remote Work Policy

DOC-HR-003 • Version 1.8 • Owner: Human Resources • Last Updated: 2026-07-05

Purpose

NexaTech supports flexible work while maintaining security, collaboration, and reliable customer service.

Eligibility

Employees may work remotely up to three days per week with manager agreement. Engineering teams may use fully remote schedules when approved by the department head.

Work Environment

Employees must maintain a professional and secure workspace, use company-managed devices, and protect confidential information from unauthorized viewing.

Network Security

Remote employees must use approved VPN access for internal systems. Production access from public or unsecured networks is prohibited.

Authentication

MFA is mandatory for VPN, cloud consoles, administrative accounts, and production systems.

Data Handling

Company data must not be stored on personal devices or unapproved consumer cloud storage. Sensitive files should remain within approved corporate systems.

Availability

Employees must remain reachable during agreed working hours and attend required meetings unless an alternative arrangement has been approved.
